

*Most people do not understand that the Lake County Probate Judge presides over the Circuit, District and Probate Courts. A great deal of time is devoted to the family court. Our trial court is quite unique. Judge David Glancy, in his role as Judge, attorney, referee and magistrate has the time and experience in each of these courts. If, in the upcoming election, the voters choose to support him, he will continue to do an excellent job.*

**Judge Mark S. Wickens**

**Lake County Probate Court Judge - Retired**
