

"As an attorney who has practiced law in Lake County since 1997, I wholeheartedly endorse Honorable David Glancy for Lake County Probate Judge. I have known Judge Glancy since he moved to Ludington in 2005. Judge Glancy - the attorney - immediately stood out as hard working, smart, and passionate. Judge Glancy represented clients in all kinds of matters including misdemeanors and felonies, emotional divorces and custody disputes, and complicated civil cases in Probate and Circuit Court. He knows how to deal with difficult people and difficult cases. Judge Glancy was a strong advocate for his clients but I never saw him get angry or act unethical. For these reasons and more, Judge Glancy quickly became a highly respected member of the Mason/Lake County Bar Association.

Since becoming the Lake County Probate Judge last year, Honorable Glancy has used his combination of legal expertise, judicial temperament, and compassion to fairly adjudicate the cases that have appeared before him. I recommend him 100% and urge all voters to vote for Honorable David Glancy so he can continue working for the people of Lake County as its Probate Judge."

Ryan T. Glanville
Attorney at Law
