

I have been an attorney in good standing with the State Bar of Michigan practicing in Mason, Lake and Manistee Counties since February of 1980 and have had the pleasure of knowing David Glancy during his entire tenure as an attorney in Mason and Lake County since 2005. David has conducted a general law practice, specializing primarily in criminal and family law. David and I were both members of the Criminal Defense Attorneys of Michigan and have regularly attended trainings to improve our trial skills and analysis of issues in criminal law.

Integrity is the cornerstone of our judicial system and I believe David's legal accomplishments in defending numerous high-profile cases in Mason County have demonstrated his excellent trial skills, courtroom demeanor and experience serve him well as an effective Trial Court Judge. As Judge, and previously Magistrate, for Lake County he has conducted himself professionally with citizens, attorneys, court officers and personnel and law enforcement officials in a manner that demonstrates an excellent judicial temperament, integrity and impartiality on a variety of cases.

David has demonstrated to me that he has a keen legal mind and can identify complex legal issues and apply the law accordingly. He has made a number of unbiased, intelligent and wise decisions in handling matters both as an attorney for his clients as well as Judge. In light of all of the foregoing circumstances, I strongly endorse David Glancy for the position of Lake County Probate Judge.
