

I have known Mr. Glancy in a professional capacity for approximately 18 years. First, as a fellow practicing attorney and then during later years in my role as a Domestic Relations Referee. My most recent professional contact with Mr. Glancy is when he appeared before the 19th Circuit Court.

His knowledge of the law and preparation for the courtroom has at all times been evident. He has a calm demeanor but is an effective advocate for his client while at the same time always demonstrating empathy and respect for the opposing party.

I, without hesitation, humbly offer my professional recommendation for Mr. Glancy for the position of Probate Judge for Lake County.

Judge David A. Thompson
Manistee County Circuit Court Judge
